CHRISTMAS NEWSLETTER

2010

Welcome to the final edition of the Newsletter for 2010. As I write this the snow is again falling and training and games are called off for the weekend. After three winters with a lot of snow and frost people we are wondering whether this is the pattern for the future. I guess we can only do our best as always to get back to the ground as soon as its safe and practically possible. The Leagues do their very best to re arrange postponed games so the players get as much football as they would have anyway just stretched over a longer season. Lets hope that the bad weather does not persist into January or even beyond. Stay Warm!

ARROWS BAR

If you have been to the club lately or attended the Christmas Party you will have seen our impressive new bar facility managed by Dave (Spider) Neal. Lots of positive comments so far and one or two suggestions to further improve the facility but it looks like its going to be a firm favourite with club members , guests and visiting teams. Drinks must be purchased at the bar and consumed on the premises. No drinks are to be brought into the ground or building for personal consumption. The hall will be hired with bar facility included. At the moment we are operating on temporary licenses with our full application being submitted to Bexley Council next week. It will be 28 days before we hear a decision.

In the meantime we can extend our temporary licences as and when we need them but this will not be a limitless possibility. Our aim is to receive the full licence. As soon as we can.

Congratulations!

Many congratulations to Nick Barrett, Simon Lewington and the under 14 girls for reaching the final of the Kent Cup. A magnificent achievement all round and a mark of the hard work the managers and the girls have put into the season so far. Is it too much to hope for a winners cup??

Good Luck girls c'mon you
Arrows!!

HOW CAN YOU HELP US RAISE FUNDS ?

Colin Harvey our treasurer has started a '200' Club All you need to do is pay Colin £1 per month (£12 in advance!) to enter into a monthly draw for cash prizes. If we can sell all 200 numbers we will raise £1000 for club funds—easy as that!

Please help us to raise much needed funds for the new training area fencing and other ground improvements

see Colin straight away to enter the draw

and help to support **YOUR** club

THANK YOU!!!!

If you would like to help the club in any way by volunteering, joining the social group, help with the bar project or just doing a few jobs from time to time e - mail our chairman Chris Rust on **rustcw@ntlworld.com**. He will be pleased to discuss this with you

Enjoy your football
